(Date)Supplemented Response to Office Action

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Responsive to communications received via facsimile on November 19, 2003, and via mail, dated November 4, 2003, which was later withdrawn, the applicants more fully respond to the Office Action mailed May 21, 2003. The applicants herein incorporate and supplement the original response dated October 21, 2003. In conjunction with the present response, no fee or extension is believed to be due, as it is being submitted within the 30 day/1 month term as set forth in the November 19, 2003, communication, which was afforded at least in part due to the previous response being deemed to be a bona fide attempt to respond. Similarly no other fees are believed to be due in connection with the consideration of the present response. The applicants hereby request reconsideration of the patentability of the claims in the present application.

However in the event that a fee associated with the present response is deemed to be necessary for purposes of consideration of the present response, the applicant's representative authorizes the Commissioner to charge any such fee to Deposit Account No. 50-2117, of Motorola, Inc.
